Dear Mr. Amory,

Thank you for your note of May 8th, with the biographic sketch enclosed. I am glad the subject and arrangements are satisfactory; the program has been announced to our membership accordingly. Since my last correspondence with you one change has been made in the arrangements; instead of being held at Woodhull House, the talk will take place at the lounge of the Brookings Institution at 722 Jackson Place, N.W. on Lafayette Square.

STATINTL

The Board is very pleased that you and Mrs. Amory will be able to have dinner with some of its members before the talk. Unfortunately I will be unable to join the group, but Mr. F. Pierce Olson, a Board member, is making the arrangements. He proposes to pick up Mrs. Amory and you at your residence at 4833 Dexter Terrace, N.W. at approximately 6:30 P.M. on Tuesday evening, May 27th. If you feel that other plans are preferable, I suggest that you call Mr. Olson directly on government code 182, ext. 4844 or 2822.

I hope to be able to attend your talk. The Club is looking forward to it with anticipation.

Sincerely yours,

Peter P. Lord
Chairman

Mr. Robert Amory, Jr.
